Don't Shed Your Tears for Anyone Who Lives on These Streets Patricio Pron,2021-04-06 Pinerolo, Italy. April 1945. At a fascist conference, a writer disappears and is found dead at the bottom of a cliff. Thirty years later, a young man—a political activist or maybe a terrorist—interviews the survivors to try to uncover the truth about what happened and its consequences. Who was this writer? What did he believe in? Why, shortly before his death, did he save a man who could have killed him? Where is his lost work? And what does any of this have to do with a teenager in contemporary Milan involved in a violent confrontation with the police? Bold and incisive, *Don't Shed Your Tears for Anyone Who Lives on These Streets* is a gripping examination of art-as-politics and politics-as-crime.

My Fathers' Ghost Is Climbing in the Rain Patricio Pron,2014-03-11 The American debut of one of Granta's Best Young Spanish-Language Novelists, *My Fathers' Ghost Is Climbing in the Rain* is a daring and deeply affecting story of one Argentine family's buried secrets. When a young writer returns home to visit his dying father, he finds himself drawn into an obsessive search for a local man gone missing. As the truth—not only about his father but an entire generation—comes to light, the narrator is forced to confront the ghosts of Argentina's dark political past, as well as long-hidden memories about his own family's history. Powerful and audacious, this semi-autobiographical novel is a thoroughly original story of corruption and responsibility, of history and remembrance, from one of South America's most important new writers.

The 50 biographical sketches in this book both instruct and encourage readers by looking at... the key facts about each Bible character's life major events and crises and how God worked through them special qualities worth emulating life lessons for everyday living and spiritual growth As readers discover the ways God has worked through His people in the past, they'll become much better equipped

The Face of Battle John Keegan,1983-01-27 John Keegan's groundbreaking portrayal of the common soldier in the heat of battle -- a masterpiece that explores the physical and mental aspects of warfare The Face of Battle is military history from the battlefield: a look at the direct experience of individuals at the point of maximum danger. Without the myth-making elements of rhetoric and xenophobia, and breaking away from the stylized format of battle descriptions, John Keegan has written what is probably the definitive model for military historians. And in his scrupulous reassessment of three battles representative of three different time periods, he manages to convey what the experience of combat meant for the participants, whether they were facing the arrow cloud at the battle of Agincourt, the musket balls at Waterloo, or the steel rain of the Somme. The Face of Battle is a companion volume to John Keegan's classic study of the individual soldier, The Mask of Command: together they form a masterpiece of military and human history.

Radiant Textuality J. McGann,2016-04-30 This book describes and explains the fundamental changes that are now taking

place in the most traditional areas of humanities theory and method, scholarship and education. The changes flow from the re-examination of the very foundations of the humanities - its theories of textuality and communication - that are being forced by developments in information technology. A threshold was crossed during the last decade of the twentieth century with the emergence of the World Wide Web, which has (1) globalized access to computerized resources and information, and (2) made interface and computer graphics paramount concerns for work in digital culture. While these changes are well known, their consequences are not well understood, despite so much discussion by digital enthusiasts and digital doomsters alike. In reconsidering these matters, *Radiant Textuality* introduces some remarkable new proposals for integrating computerized tools into the central interpretative and critical activities of traditional humanities disciplines, and of literary studies in particular.

God's Man of Influence Jim George, 2003 Becoming a real man of influence starts with your relationship with God, the ultimate source of power in the Christian life. In this book author Jim George shares the secrets to becoming God's man of influence.
