Rachel's Song Miguel Barnet,1991 A novel about pre-Castro Cuba, told through the story of a famous cabaret dancer.

Grease Bronte Woodard,1977

BTS Adrian Besley,2018-08-02 BTS is the breakthrough K-pop band. For the first time, this unofficial biography tells the story of the Korean boy band with a global army of fans, who have propelled their heroes to the top of the charts all over the world. Seven good-looking boys - RM, Jin, Suga, J-Hope, Jimin, V and Jungkook - who can dance as well as they can rap and sing, are tearing up the global music charts. Nothing new? Think again. BTS, who rose to fame in their native South Korea in 2013 and who sing almost entirely in Korean, are now a sensation in the US, the UK and the rest of the world. K-pop is a growing phenomenon in the West, and over the last few years, it has steadily gathered a huge global following. With their talent, dedication, good looks, fabulous choreography, and catchy blend of pop, hip hop and RnB, BTS are leading the advance. - BTS's latest album 'Love Yourself: Answer' went straight to #1 in the US charts, following the success of their previous album, 'Love Yourself: Tear', which was the first ever Korean album to achieve this - Over 17 million followers on Twitter - They have been profiled in US Vogue - the first K-pop band to be granted such an honour - The music video for IDOL broke YouTube streaming records, being viewed 46 million times in the first 24 hours; the view count is now in the hundreds of millions - They won the 2018 Billboard Music Award for 'Top Social Artist' for the second year in a row - Listed by Forbes as the most retweeted artist on Twitter in March 2016 - and their fanbase has ballooned since then - Named in Time magazine's 'Top 25 Most Influential People on the Internet 2017' list - Their 2018-2019 world tour sold out within minutes of tickets going on sale Extensively researched, and written in an upbeat and accessible style, this book interweaves the success stories of each of the boys with how the band got together, while documenting their amazing rise to fame in Southeast Asia, and then the world. It includes 16 pages of full colour photographs of the band playing live, posing and having fun. Also available: 9781780556017 BTS: Test Your Super-Fan Status 9781789291339 BTS and Me: Your Unofficial Fill-In Fan Book

The Easiest Way to Live Mabel Katz,2012-08-17 Who s Causing the Difficulties in Your Life? The short answer to that question is, You are! And it may surprise you to realize that this is really good news. Why is it good news? Because the reason

you are constantly creating difficulties for yourself is that you don't know how you are doing it or why. Now you can not only understand the cause of your problems, you can know what to do to stop creating them. The best part is, it's easy! In *The Easiest Way to Live*, you will find the keys to becoming your true self, being in harmony with life and pure in heart, which is a state of essential clarity. You will discover that most of the challenges you face are caused by past patterns and memories that keep replaying in your subconscious and block you from being who you really are. You will find that no problems exist outside of you, and since they are inside of you, you have the ability to take 100% responsibility for them and neutralize them. These truths and techniques are ancient secrets of Ho'oponopono. They are as relevant and applicable today as they were centuries ago. Knowing and applying them is, truly, the easiest way to live a joyful, abundant, and eminently fulfilling life.

The Dare Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Didn't it rain piano, vocal, guitar Hugh Laurie, 2013-06-28 Das neue Album des bekannten Schauspielers (äDr. Houseä) und versierten Musikers verfolgt den Weg des Blues. Etliche Klassiker nahmen sich Hugh Laurie und Produzent Joe Henry vor und interpretierten diese neu. Unter den Gästen ist auch Bluesaltmeister Taj Mahal. äDas hier ist ohne Übertreibung mit Abstand das eigenständigste und interessanteste Roots-Album eines zeitgenössischen Genre-Interpreten seit Langem. Alles, was hier glänzt, ist nicht mal Gold, sondern pures Platin ... Als versierter Pianoman mit hochemotionalem Anschlag darf man Laurie getrost ins Regal neben den Hellboy des Blues, Tom Waits, stellen. Ob Spurenelemente von Klassik, ein fetter Barrelhouse-Touch oder gelegentlicher Honkytonk: Er liebt sein Instrument wie ein eigenes Kind und behandelt es auch so ... Am Ende der Scheibe steht man sabbernd da und fragt sich und Laurie, warum dieser hervorragende Musiker nicht schon seit Jahrzehnten Schallplatten aufnimmtä (www.laut.de).

Thalia Radiante Thalia, 2009-04-01 Latina superstar Thalia is back with Radiante!, a gorgeous guide for women seeking a fit and fabulous pregnancy. Having just enjoyed the same herself, Thalia is the perfect woman to advise and inspire, sharing

nutrition advice, fitness tips, fashion dos and don'ts, and so much more. She's broken the book down into trimesters (including the little acknowledged but very real fourth trimester). Each section addresses a woman's state of mind, body, and spirit. Thalia and her personal ob-gyn, Dr. Kramer, advise first time moms on the importance of prenatal care, what tests will be offered when, and how best to cope with any attendant anxieties. With its sound advice and Thalia's bright personality stamped on every page, *Radiante!* is a go-to resource for moms-to-be.

Made in Italy Franco Fabbri, Goffredo Plastino, 2013-10-30 *Made in Italy* serves as a comprehensive and rigorous introduction to the history, sociology, and musicology of contemporary Italian popular music. Each essay, written by a leading scholar of Italian music, covers the major figures, styles, and social contexts of pop music in Italy and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Italian popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Themes; Singer-Songwriters; and Stories.

Growing Up in Public Ezequiel Garcia, 2016-08-03 Ezequiel García explores the trials and tribulations of transitioning into his 30s as a working artist where the only thing more uncertain than the source of his next paycheck is the future of his hometown — Buenos Aires. Garcia's visual storytelling alternates among finely crafted, architecturally breathtaking depictions of Buenos Aires, revelatory, intimate self-examination, and phantasmorgical metaphorical flights, drawn in nuanced, expressive, grungy brush strokes.

Aleph Paulo Coelho, 2011-09-27 Transform your life. Rewrite your destiny. In his most personal novel to date, internationally best-selling author Paulo Coelho returns with a remarkable journey of self-discovery. Like the main character in his much-beloved *The Alchemist*, Paulo is facing a grave crisis of faith. As he seeks a path of spiritual renewal and growth, he decides to begin again: to travel, to experiment, to reconnect with people and the landscapes around him. Setting off to Africa, and then to Europe and Asia via the Trans-Siberian Railway, he initiates a journey to revitalize his energy and passion. Even so, he never expects to meet Hilal. A gifted young violinist, she is the woman Paulo loved five hundred years before—and the woman he betrayed in an act of cowardice so far-reaching that it prevents him from finding real happiness in this life. Together they will initiate a mystical voyage through time and space, traveling a path that teaches love, forgiveness, and the courage to overcome life's inevitable challenges. Beautiful and inspiring, *Aleph* invites us to consider the meaning of our own personal journeys: Are we where we want to be, doing what we want to do? Some books are read. *Aleph* is lived. This eBook edition includes an excerpt from Paulo Coelho's Manuscript Found in Accra and a Reading Group Guide!

Tribal Custom in Anglo-Saxon Law Frederic Seebohm, 1902

How to Suffer ... In 10 Easy Steps William Arntz, 2019-10-08 What!? A "Self-Help" book on How to Suffer!? You must be kidding. Well YES and NO. YES in that it's a satirical roast of self-help books that promise everything and tell you it'll be

easy (and it never is). NO in that it turns out that looking at and dealing with suffering is the Gorilla in the room that everyone avoids, to our own undoing. And YES there is some kidding around, as a humorous approach is the best way to sneak up on the mothership of bad times: Suffering. And NO you won't have to suffer to read it! Following the 10 Easy Steps (just do the opposite and don't suffer) there is the Suffering Hall of Fame, and then the 6 Slippery Steps to End, or at least change, your suffering state. Chapters include: Buddha Kicks the Habit (of Suffering), The Power of Not-Now, Beyond the Roast - Let's Get Real and The Pseudo Science of Suffering -in which you learn how to construct and use your very own Sufferometer. It's a lot for one little book, but then again it is a subject which consumes, directs and shapes so much of what we all do, and/or try not to do, in every day life.

X Journal 401books,2019-12-23 This 6x9 inch journal is a great way to show off your unique aesthetic style! Whether it's for taking notes for school work, doodling, or drawing, showcase your personality with this notebook. It includes 120 pages (60 Sheets) of black and white college ruled 7.1mm lined paper making it a perfect notebook for boys and girls, men and women. There are a multitude of uses for this book whether you are a man or woman, male or female, including keeping track of goals, plans, and tasks or even as a grocery list and exercise log. Great for journaling or can also be used as a diary for kids, teens, or adults. Not to mention, teachers or students of all ages and grades from kindergarten, to middle school, junior high, high school, and college for homework. Can also be used as a pad to jot down events or dates. The cover is beautiful and colorful and is the perfect size for all backpacks, pocketbooks, handbags, purses, or bags. Perfect to keep all of your thoughts and ideas in one place and the cute, pretty, classy, and elegant custom cover makes a great present for friends or family!

Thalia, Belleza! ,2008

Zero Frequency Mabel Katz,2020-05 We are living in a time when many people are feeling the weight of the world on their shoulders, in the form of global and personal stress--financial challenges, illness, loneliness, depression, and lack of purpose. Zero Frequency, by Mabel Katz, is an illuminating book that offers all struggling citizens of this planet a path out of turmoil and towards a life of happiness, peace, and abundance. As a lifelong practitioner and leading authority on Ho'oponopono, the ancient Hawaiian art of problem-solving, Mabel Katz's new book presents wisdom in a more practical and modern way--one that simultaneously speaks to the mind and heart, while also cutting through many of the mind traps and illusions that prevent us from experiencing truth. In this book, you will come to understand that Zero Frequency is a direct pipeline back to who we are--to our true essence. Zero Frequency is also a suspension of mind and thought that would allow us to return to the fullness of the Present Moment. Mabel calls this a return to our natural state of Zero--the limitless state that comes when we live in the Now--present, conscious, free of judgment--allowing our hearts to open to the wisdom that already lives within each of us. This book will lay down a concrete path to help its readers wake up and realize their

potential. It is a book that is written with the unwavering belief that the more we help (and heal) ourselves, the more we help (and heal) the planet. Living from who we are is at the core of Zero Frequency, a combination of gratitude, letting go, and practicing peace. Zero Frequency is like returning to our childhood, and the joy and innocence we have lost as time and age have buried who we are. Rediscovering this part of ourselves--our true self--is the pathway back to opening our hearts to abundance, peace, and joy. It is where all the answers to life's problems will be found. It is the heart and soul of Zero Frequency.--Publisher.

Self-Portrait Abroad Jean-Philippe Toussaint,2010-05-11 In Self-Portrait Abroad, our narrator—a Belgian author much like Toussaint himself—travels the globe, finding the mundane blended everywhere with the exotic: With his usual poker face, he keeps up on Corsican gossip in Tokyo and has a battle of nerves in a butcher shop in Berlin; he wins a boules tournament in Cap Corse, takes in a strip club in Japan's historic Nara, gets pulled through Hanoi on a cycle rickshaw, and has a chance encounter on the road from Tunis to Sfax. Tales of a cosmopolitan at home in a strangely familiar world, Self-Portrait Abroad casts the entire globe in a cool but playful light, reminding us that, wherever we go, we take our own eyes with us...

A Dictionary of Idioms William A Bellenger,2023-07-18 This reference work is a comprehensive guide to idiomatic expressions in both French and English. The book is organized alphabetically and includes definitions, examples, and cross-references for each idiom. This text is an indispensable tool for anyone learning or translating either language. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Modeling the Effects of a Mountain Pine Beetle Outbreak and Potential Management Responses in Alberta's Eastern Slopes Richard Roland Schneider,2009 We used a simulation model and two management scenarios to investigate possible effects of a severe mountain pine beetle (*Dendroctonus ponderosae* Hopkins) epidemic in Alberta, Canada. Our simulated outbreak was based on the current epidemic in British Columbia, which may kill close to 80% of the province's pine volume. Our two management scenarios were conventional harvest and a pine-reduction strategy modeled on a component of Alberta's Mountain Pine Beetle Management Strategy. The pine strategy seeks to reduce the number of susceptible pine stands by 75% over the next 20 years through targeted harvesting by the forest industry. Our simulations showed that the pine strategy could not be effectively implemented, even if the beetle outbreak was delayed for 20 years. Even though we

increased mill capacity by 20% and directed all harvesting to high volume pine stands during the pine strategy's surge cut, the amount of highly susceptible pine was reduced by only 43%. Additional pine volume remained within mixed stands that were not targeted by the pine strategy. When the outbreak occurred in each scenario, sufficient pine remained on the landscape for the beetle to cause the timber supply to collapse. Alternative management approaches and avenues for future research are discussed.

Pageant Joan FitzPatrick Dean, 2021-08-12 Focusing on examples from medieval theatre, women's suffrage campaigns, and the 2012 Olympics Opening Ceremony, this is the first book to offer a critical overview of pageant as a dramatic form. By enacting highly selective historical episodes, pageants manipulate audiences' sense of the past. Through iconic music, affecting images, and vernacular forms, pageants express and, in turn, shape religious, civic, or political allegiances. Freely appropriating elements of history plays, patriotic celebrations, opera, and film, pageants create spectacles of sensory overload. Impressive recent scholarship recognizes pageants as public history, but this is the first authoritative account of the origins, characteristics, and techniques of pageants as a theatrical idiom. Performed in sporting arenas, the open air, or purpose-built theatres, these paratheatrical events express identity through what Erika Fischer-Lichte calls "the re-theatricalization of theatre." Pageants are intimately connected with power—they either assert and celebrate it or seek and demand it. Medieval religious pageants were so popular and powerful that they were suppressed and extinguished. The vogue for pageantry that swept through the English-speaking world in the decade before WWI was closely tied to the expansion of the franchise. Many early twentieth century pageants celebrated localities; others subversively advocated for women's suffrage. First performed in 1909, Cicely Hamilton's *A Pageant of Great Women* depicted historical personages from the near and distant past as well as allegorical figures such as Justice and Prejudice. Today, the Olympic Games mandate an opening ceremony that "details the country's history, culture, and overall importance for the global community." London delivered just such a pageant in 2012. This book features a wide-ranging introduction that maps the cultural evolution of this enduring theatrical form and covers popular and readily accessible pageants from medieval England, the early twentieth century, and our own day.
