## Juanes

Chasing the Sun Deluxe Juanes, 2013-04-02 The deluxe e-book edition of Chasing the Sun includes rare, behind-the-scenes video footage of superstar Juanes's early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes's words and offer a true glimpse of the man behind the music. "I'm doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I'll continue looking to the stars and traveling the globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun."—Juanes In Chasing the Sun, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout—some of them never before seen—Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekhyosis, which went on to become Colombia's leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own words—until now.

An Ex to Grind Jane Heller, 2009-10-13 The battle of the sexes rages on in this smart, witty, and extremely timely comedy from the phenomenally popular Jane Heller At first, Manhattan financial planner Melanie Banks adores Dan Swain, her pro football player husband who's got a sexy Oklahoma drawl to go with his athletic good looks. But then his career comes to a screeching halt and he spends the next few years out of a job, seemingly unconcerned about it. Suddenly, she's the one bringing home the bacon and falling out of love with the paycheck-devouring, couch-sitting mooch. Divorce is the answer, she

decides -- only to learn she has to fork over alimony while he lives like a prince on her income and she has to share custody of their precious dog, Buster. Consumed with the unfairness of it all, she plays dirty, hiring a high-profile matchmaker to find some unsuspecting female she can dump on Dan for ninety days and cause him to violate their cohabitation clause. But then Melanie's scheme backfires. Her ex's new love revitalizes him, miraculously transforming him into the focused, responsible go-getter she always hoped he'd be. And now, with the ninety-day clock about to chime, she realizes she wants him back.
