The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

"Irony, Satire, Parody and the Grotesque in the Music of Shostakovich " Esti Sheinberg,2017-07-05 The music of Shostakovich has been at the centre of interest of both the general public and dedicated scholars throughout the last twenty years. Most of the relevant literature, however, is of a biographical nature. The focus of this book is musical irony. It offers new methodologies for the semiotic analysis of music, and inspects the ironical messages in Shostakovich's music independently of political and biographical bias. Its approach to music is interdisciplinary, comparing musical devices with the artistic principles and literary analyses of satire, irony, parody and the grotesque. Each one of these is firstly inspected and defined as a separate subject, independent of music. The results of these inspections are subsequently applied to music, firstly music in general and then more specifically to the music of Shostakovich. The composer's cultural and historical milieux are taken into account and, where relevant, inspected and analysed separately before their application to the music.

The Natural History of the Rich: A Field Guide Richard Conniff, 2003-10-17 A tantalizing, droll study of the idiosyncratic existence of the very rich, through the unexpected lens of the naturalist. Journalist Richard Conniff probes the age-old question Are the rich different from you and me? and finds that they are indeed a completely different animal. He observes with great humor and finesse this socially unique species, revealing their strategies for ensuring dominance and submission, their flourishes of display behavior, the intricate dynamics of their pecking order, as well as their unorthodox mating practices. Through comparisons to other equally exotic animals, Conniff uncovers surprising commonalities. • How did Bill Gates achieve his single greatest act of social dominance by being nice? • How does the flattery of the rich resemble the grooming behavior of baboons? • What made the British aristocracy the single most successful animal dominance

hierarchy in the history of the planet? • How does Old Money's disdain for the nouveaux riches resemble the pig-grunting of mountain gorillas? This marvelously entertaining field guide captures in vivid detail the behaviors and habitats of the world's most captivating yet elusive animal.

Redeeming Laughter Peter L. Berger, 2014-10-14 Amid the variety of human experiences, the comic occupies a distinctive place. It is simultaneously ubiquitous, relative, and fragile. In this book, Peter L. Berger reflects on the nature of the comic and its relationship to other human experiences. Berger contends that the comic is an integral aspect of human life, yet one that must be approached and analyzed circumspectly and circuitously. Beginning with an exploration of the anatomy of the comic, Berger addresses humor in philosophy, physiology, psychology, and the social sciences before turning to a discussion of different types of comedy and finally suggesting a theology of the comic in terms of its relationship to folly, redemption, and transcendence. Along the way, the reader is treated to a variety of jokes on a variety of topics, with

particular emphasis on humor and its relationship to religion. Originally published in 1997, the second edition includes a new preface reflecting on Berger's work in the intervening years, particularly on the relationship between humor and modernity.

Apollo's Angels Jennifer Homans, 2013-01-03 Apollo's Angels is a major new history of classical ballet. It begins in the courts of Europe, where ballet was an aspect of aristocratic etiquette and a political event as much as it was an art. The story takes the reader from the sixteenth century through to our own time, from Italy and France to Britain, Denmark, Russia and contemporary America. The reader learns how ballet reflected political and cultural upheavals, how dance and dancers were influenced by the Renaissance and French Classicism, by Revolution and Romanticism, by Expressionism and Bolshevism, Modernism and the Cold War. Homans shows how and why 'the steps' were never just the steps: they were a set of beliefs and a way of life. She takes the reader into the lives of dancers and traces the formal evolution of technique, choreography and performance. Her book ends by looking at the contemporary crisis in ballet now that 'the masters are dead and gone' and offers a passionate plea for the centrality of classical dance in our civilization. Apollo's Angels is a book with broad popular appeal: beautifully written and illustrated, it is essential reading for anyone interested in history, culture and art.

The Bully Killer Tommy Beartooth,2000-06 The Bully Killer describes the life of Big Bull Chaney, the worst bully in Texas/New Mexico history, his upbringing and his lowlife associates who raise hell at a nightclub in El Paso called Wild Eyes. Bull Chaney started with bad genetics-his vicious parents, and began his criminal hobby of bullying in elementary school. Raised in an atmosphere of outrageous cruelty against animals, with his uncle Jeeter running an organized dog fighting ring, Big Bull Chaney grows to be close to seven feet tall and over 300 pounds. He inherits a beer distributorship from his father who bought it with pirated funds, and who is unexpectedly killed while choking an outlaw biker at Wild Eyes. Bull has many successes in bullying other men; however, his luck turns bad when, at an international festival in El Paso, he confronts a giant Viking strongman and a Kung Fu expert from Asia, and he realizes that either of these men could easily destroy him! His ego having suffered major damage, he resolves to find someone that very day on whom he can take out his rage and wrath. While still at the festival, he sees Nikos Diamantopoulos, a 14-year old boy, dressed in an ethnic Greek costume from a closed era, something like a Scottish kilt. The costume infuriates Bull who, with his cowboy, blue jeans, and monster truck mentality, vows to catch Nikos and deal him a severe lesson. Bull finds Nikos walking home through a dark neighborhood and sets two of his killer dogs on the boy, who is badly injured, yet saved from death by his brave dog Rocket, who arrived and diverted the violence to himself. Bull leaves Nikos atop a fire ant mound, worsening his injuries. By means of a fortunate chain of events, a high tech medicine man, Ray Singing Fire, who has boyhood debts to two Greeks, enters the picture and vows to right things for Nikos. Unfortunately for Big Bull Chaney, Singing Fire has many of the same Kung Fu skills as Chang Tien Ming, one of the men who made Bull back away at the El Paso festival. Singing Fire corners Bull at Wild Eyes and, in front of his own criminal associates, gives Bull a gut wrenching lesson about stinging insects, feeling this appropriate retribution for the many fire ant stings Nikos took. Additionally, Singing Fire does major damage to Bull's beer distributorship, causing a steep decline in sales through a clandestine mailing to its customers. Now the angriest man on earth, Bull plans revenge on the Indian medicine man, but cannot locate him. An effort to find Nikos also failed. In frustration, Bull journeys to Eagle Pass, Texas, to visit uncle Jeeter about the problem, who then consults with the Chaney family attorney, Wade Blankenship. The lawyer calls a Mafia phone number, and arranges to bring in a Greek speaking gangster to act as a spy to locate Nikos. With the confidence of Nikos clergyman gained, the spy locates Nikos, who is then kidnapped, along with his doctor and his parents. A video of the victims being menaced by Bull's killer dogs is sent to the Greek Orthodox priest, who then contacts Singing Fire at his reclusive New Mexico home. The medicine man must devise a way to save the victims from Big Bull Chaney, who plans to execute them by dog mauling at a secretive dog fighting site in remote West Texas, in full view of around 100 criminals invited from all over the United States. The climax of chapter 5

illustrates that those who are wantonly violent usually encounter someone they cannot face, as Bull dies under the claws and teeth of the medicine man's wolverine, a weapon he desperately tries to avoid using. Chapter 6 depicts Bull suffering in hell, the fate unquestionably awaiting all bullies, but it also details the restoration of Nikos to a normal life through regenerative medicine; portrays his dog Rocket at the gates of heaven; and his new companion dog, Rocket II, graciously arranged for his by the veterinarian, Ed Landerholme, who was able to salva
