Born to Run Christopher McDougall, 2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Chupie Thalia, 2016 Internationally known singer, songwriter, business woman, and actress Thalia shares this fun and fanciful story about something every parent can relate to-persuading your child to give up the pacifier. Thalia dreamed up Binkyland, the magical place where the Binkies live and would one day return home, as a bedtime story for her own children. Vibrant, colorful, and campy, this is the perfect story for kids who need the extra push to give up their own binkies.

Chasing the Sun Deluxe Juanes, 2013-04-02 The deluxe e-book edition of *Chasing the Sun* includes rare, behind-the-scenes video footage of superstar Juanes's early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes's words and offer a true glimpse of the man behind the music. "I'm doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I'll continue looking to the stars and traveling the globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun."—Juanes In *Chasing the Sun*, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout—some of them never before seen—Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekhymosis, which went on to become Colombia's leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own words—until now.

Didn't it rain piano, vocal, guitar Hugh Laurie, 2013-06-28 Das neue Album des bekannten Schauspielers (äDr. Houseä) und versierten Musikers verfolgt den Weg des Blues. Etliche Klassiker nahmen sich Hugh Laurie und Produzent Joe Henry vor und interpretierten diese neu. Unter den Gästen ist auch Bluesaltmeister Taj Mahal. äDas hier ist ohne Übertreibung mit Abstand das eigenständigste und interessanteste Roots-Album eines zeitgenössischen Genre-Interpreten seit Langem. Alles, was hier glänzt, ist nicht mal Gold, sondern pures Platin ... Als versierter Pianoman mit hochemotionalem Anschlag darf man Laurie getrost ins Regal neben den Hellboy des Blues, Tom Waits, stellen. Ob Spurenelemente von Klassik, ein fetter Barrelhouse-Touch oder gelegentlicher Honkytonk: Er liebt sein Instrument wie ein eigenes Kind und behandelt es auch so ... Am Ende der Scheibe steht man sabbernd da und fragt sich und Laurie, warum dieser hervorragende Musiker nicht schon

seit Jahrzehnten Schallplatten aufnimmtä (www.laut.de).

La Bastarda Trifonia Melibea Obono, 2018-04-24 A teenage orphan's quest of self-discovery in Equatorial Guinea, and a unique contribution to LGBTQ literature (Kirkus Reviews). "Though I live a world away from Equatorial Guinea, I saw so much of myself in Okomo: a tomboy itching to be free and to escape society's rigged game. I cheered her on with every page, and wished—for myself and all girls—for the bravery to create our own world." —Maggie Thrash, author of *Honor Girl* The first novel by an Equatorial Guinean woman to be translated into English, *La Bastarda* is the story of the orphaned teen Okomo, who lives under the watchful eye of her grandmother and dreams of finding her father. Forbidden from seeking him out, she enlists the help of other village outcasts: her gay uncle and a gang of "mysterious" girls reveling in their so-called indecency. Drawn into their illicit trysts, Okomo finds herself falling in love with their leader and rebelling against the rigid norms of Fang culture.

Cecilia Reclaimed Susan C. Cook, 1994 Cecilia, a fifteenth-century Christian martyr, has long been considered the patron saint of music. In this pathbreaking volume, ten of the best known scholars in the newly emerging field of feminist musicology explore both how gender has helped shape genres and works of music and how music has contributed to prevailing notions of gender. The musical subjects include concert music, both instrumental and vocal, and the vernacular genres of ballads, salon music, and contemporary African American rap. The essays raise issues not only of gender but also of race and class, moving among musical practices of the courtly ruling class and the elite discourse of the twentieth-century modernist movement to practices surrounding marginal girls in Renaissance Venice and the largely white middle-class

experiences of magazine and balladry.

The Easiest Way to Live Mabel Katz, 2012-08-17 Who's Causing the Difficulties in Your Life? The short answer to that question is, You are! And it may surprise you to realize that this is really good news. Why is it good news? Because the reason you are constantly creating difficulties for yourself is that you don't know how you are doing it or why. Now you can not only understand the cause of your problems, you can know what to do to stop creating them. The best part is, it's easy! In *The Easiest Way to Live*, you will find the keys to becoming your true self, being in harmony with life and pure in heart, which is a state of essential clarity. You will discover that most of the challenges you face are caused by past patterns and memories that keep replaying in your subconscious and block you from being who you really are. You will find that no problems exist outside of you, and since they are inside of you, you have the ability to take 100% responsibility for them and neutralize them. These truths and techniques are ancient secrets of Ho'oponopono. They are as relevant and applicable today as they were centuries ago. Knowing and applying them is, truly, the easiest way to live a joyful, abundant, and eminently fulfilling life.

Remixing Reggaetón Petra R. Rivera-Rideau, 2015-09-19 Puerto Rico is often depicted as a racial democracy in which a history of race mixture has produced a racially harmonious society. In *Remixing Reggaetón*, Petra R. Rivera-Rideau shows how reggaetón musicians critique racial democracy's privileging of whiteness and concealment of racism by expressing identities that center blackness and African diasporic belonging. Stars such as Tego Calderón criticize the Puerto Rican mainstream's tendency to praise black culture but neglecting and marginalizing the island's black population, while Ivy Queen, the genre's most visible woman, disrupts the associations between whiteness and respectability that support official discourses of racial democracy. From censorship campaigns on the island that sought to devalue reggaetón, to its subsequent mass marketing to U.S. Latino listeners, Rivera-Rideau traces reggaetón's origins and its transformation from the music of San Juan's slums into a global pop phenomenon. *Reggaetón*, she demonstrates, provides a language to speak about the black presence in Puerto Rico and a way to build links between the island and the African diaspora.

What Comes After Farce Hal Foster, 2020-05-19 If farce follows tragedy, what follows farce? Where does the double predicament of a post-truth and post-shame politics leave artists and critics on the left? How to demystify a hegemonic order that dismisses its own contradictions? How to belittle a political elite that cannot be embarrassed, or to mock party leaders who thrive on the absurd? How to out-dada President Ubu? And, in any event, why add outrage to a media economy that thrives on the same? *What Comes After Farce?* comments on shifts in art, criticism, and fiction in the face of the current regime of war, surveillance, extreme inequality, and media disruption. A first section focuses on the cultural politics of emergency since 9/11, including the use and abuse of trauma, paranoia, and kitsch. A second reviews the neoliberal makeover of art institutions during the same period. Finally, a third section surveys transformations in media as reflected in recent art, film, and fiction. Among the phenomena explored here are machine vision (images produced by machines for other machines without a human interface), operational images (images that do not represent the world so much as intervene in it), and the algorithmic scripting of information so pervasive in our everyday lives.

Mexican Maze Carleton Beals, 1931 Here is a travel book into time as well as through strange valleys and along tropical coasts. Layer upon layer of centuries of culture are unwrapped, in leaves from a notebook of 15 years of war & revolution &
