Chasing the Sun Deluxe Juanes, 2013-04-02 The deluxe e-book edition of Chasing the Sun includes rare, behind-the-scenes video footage of superstar Juanes's early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes's words and offer a true glimpse of the man behind the music. "I'm doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I'll continue looking to the stars and traveling the globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun."—Juanes In Chasing the Sun, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout—some of them never before seen—Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekhyrosis, which went on to become Colombia's leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own words—until now.

Chupie Thalia, 2016 Internationally known singer, songwriter, business woman, and actress Thalia shares this fun and fanciful story about something every parent can relate to—persuading your child to give up the pacifier. Thalia dreamed up Binkyland, the magical place where the Binkies live and would one day return home, as a bedtime story for her own children. Vibrant, colorful, and campy, this is the perfect story for kids who need the extra push to give up their own binkies.

The Dare Harley Laroux, 2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some

readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

American Costume 1915-1970 Shirley Miles O'Donnol, 1989-08-22 Shirley Miles O'Donnol provides both illustrations and written descriptions of styles worn in everyday life and suggests ways of adapting them to stage use. Her animated and informative text gives an overview of social trends as well as insight into the fashions themselves. Since women's fashions change more frequently and more radically than men's, the chapters follow the eras in women's apparel: The First World War, The Flaming Twenties, The Depressed Thirties, The Second World War, The Postwar Era and the 'New Look,' The Late Fifties: Dawn of the Space Age, and The Sixties: Unisex and Miniskirts. Lavishly illustrated with original drawings by the author, photographs of costumes now in museum collections, and drawings and photographs taken from fashion magazines

spanning more than fifty years, *American Costume, 1915-1970* is a practical -- and entertaining -- handbook for the stage costumer.

Tribal Custom in Anglo-Saxon Law Frederic Seebohm, 1902

Beyond the Gibson Girl Martha H. Patterson, 2010-10-01 Challenging monolithic images of the New Woman as white, well-educated, and politically progressive, this study focuses on important regional, ethnic, and sociopolitical differences in the use of the New Woman trope at the turn of the twentieth century. Using Charles Dana Gibson's *Gibson Girls* as a point of departure, Martha H. Patterson explores how writers such as Pauline Hopkins, Margaret Murray Washington, Sui Sin Far, Mary Johnston, Edith Wharton, Ellen Glasgow, and Willa Cather challenged and redeployed the New Woman image in light of other new conceptions: the New Negro Woman, the New Ethics, the New South, and the New China. As she appears in these writers' works, the New Woman both promises and threatens to effect sociopolitical change as a consumer, an instigator of evolutionary and economic development, and, for writers of color, an icon of successful assimilation into dominant Anglo-American culture. Examining a diverse array of cultural products, Patterson shows how the seemingly celebratory term of the New Woman becomes a trope not only of progressive reform, consumer power, transgressive femininity, modern energy, and modern cure, but also of racial and ethnic taxonomies, social Darwinist struggle, imperialist ambition, assimilationist pressures, and modern decay.

Photography and Memory in Mexico Andrea Noble, 2011-01-15 Photography and Memory in Mexico traces the life stories of some of the famous photographic images made during the 1910 revolution, which have been repeatedly reproduced across a range of media in its aftermath. Which photographs have become icons of the revolution and why these particular images and not others? What is the relationship between photography and memory of the conflict? How do we construct a critical framework for addressing the issues raised by iconic photographs? Placing an emphasis on the life, afterlife and also the pre-life of those iconic photographs that haunt the post-revolutionary landscape, Andrea Noble approaches them as dynamic objects, where their rhetorical power is derived from a combination of their visual eloquence and their ability to coordinate patterns of identification with the memory of the revolution as a foundational event in Mexican history. Richly-illustrated, this book will be of interest to all those interested in photography, memory studies, and Mexican cultural history.

Tina Modotti Andrea Noble, 2000 Italian American photographer Tina Modotti (1896--1942) has become the subject of renewed popular and critical attention with a spate of recent biographies, academic articles, and films. Because Modotti was an intensely engaged political figure whose activism took her to Mexico, the former Soviet Union, and Spain, her biographers have focused primarily on her politics and love life, especially her relationships with Edward Weston, Xavier Guerrero, and Julio Antonio Mella. Now Andrea Noble focuses on Modotti's photographic output. Her corpus of over 300 images, especially those of post-revolutionary Mexico in the 1920s, is a significant contribution to twentieth-century photography. Drawing on feminist theories of visual culture, Noble presents a close reading of Modotti's work and how it fits into its cultural, historical, and theoretical contexts. She also explores how Modotti was 'repackaged' by feminists in the 1980s and how she was commodified as an 'exotic Mexican body' to promote a collection of women's fashion. This book offers a new perspective on the work and life of an enduringly fascinating figure.

Utopia and Reality Simon Spiegel, Andrea Reiter, Marcy Goldberg, 2020-02-15 Scholarship on utopias in film has so far focused exclusively on dystopias – but utopias are about criticizing the present rather than telling a gripping story Utopia and Reality looks into propaganda and documentary films for depictions of better worlds. This volume brings together researchers from two fields that have so far seen little exchange – documentary studies and utopian scholarship Covers a wide range of films from Soviet avant-garde to propaganda videos for the terror organisation ISIS, and from political-activist to ecofeminist and interactive documentaries.

Domon Ken Rossella Menegazzo, Takeshi Fujimori, Yuki Seli, 2017 The breadth and diversity of this Renaissance man's oeuvre reveals untiring attention to and interest in the culture, art, faces, society, and politics of this country. With over 70,000 pictures taken between the 1920s and 1980s, Domon Ken is considered the supreme master of Japanese photography as well as the main exponent of realism as the only approach possible. Over the years he honed his craft, shifting from propaganda photography during the war to photography as a life's mission, in search of his own Japan: a fascinating and silent Japan of ancient temples, Buddhist sculptures, puppet theaters (where he took refuge during the war); the seductive and expressive faces of celebrities alongside the modest ones of street urchins; the poorest Japan of mining villages; and finally his most disturbing and modern work, portraying Hiroshima and its unhealed wounds. 00Rosella Menegazzo is a professor of East Asian Art History at the University of Milan. Takeshi Fujimori is the artistic director of Ken Domon Museum of Photography, Sakata, Japan. 00Exhibition: Museo dell'Ara Pacis, Rome, Italy (27.05-18.09.2016).
