Harley Laroux

Transform Yourself and Live in Balance Rebecca Solano,2017-11-08 Living in balance and being positive are the antidotes to any illness. Food nourishes your blood, your blood nourishes all your organs, and your thoughts and feelings are as healthy as your nutrition. Rebecca Solano In Transform Yourself and Live in Balance, Rebecca Solano shares her more than ten years of experience helping people get healthy and reach their goal weight, people with all kinds of illnesses, in particular being overweight or morbidly obese. These illnesses compromise vital systems, creating cancer, Parkinson's Disease, Alzheimer's, diabetes, high blood pressure, problems related to the digestive and nervous systems, among others. You will discover how simple it is to restore your organism, eliminate physical and emotional excess weight, detoxify and truly nourish it, the importance of digestion, and how to combine foods to avoid indigestion or inflammation. Rebecca Solano includes her famous ABC's that will transform your life as well her recipes for delicious smoothies, power juices, fermented foods, and vegetable milks. These easy recipes will energize and reactivate your organism. She also guides you through a natural liver and gallbladder detoxification which will restore your health immediately by ensuring that your systems are functioning as well as possible. Transform Yourself and Live in Balance is the bible by which to reset your organism and that of the people you love and who love you because when you are healthy, you can achieve anything you want. Rebecca Solano is certified in Natural Health and Living Foods Lifestyle by Ann Wigmore, she is the producer of TRANSFORMATE Y VIVE EN EQUILIBRIO (Transform Yourself and Live in Balance), two very successful television programs that have changed the lives of millions of people by emphasizing a healthy lifestyle and promoting eating and drinking 100% natural foods.

The Dare Harley Laroux,2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below.Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school.A freak like him never

should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Urantia Martin Gardner, 2008-08 Published in 1955 under the direction of psychiatrist William Sadler, The Urantia Book is the largest and most sophisticated work of New Age literature ever produced. This massive tome of over 2,000 pages is believed by devotees to be a revelation to our world, which is allegedly called Urantia in the language of the unseen higher beings credited with inspiring the book. Unlike other channeled bibles, The Urantia Book contains a vast amount of modern science as well as an extensive biography of Jesus Christ, filled with details not found in the Gospels. Well-known skeptic and acclaimed popular science writer Martin Gardner presents a complete history of the Urantia movement, from its beginnings in the early 20th century to the present day. In addition to providing an outline of the Urantia cult's worldview, Gardner presents strong evidence to establish the identity of the man whose trancelike orations formed the basis of the book. Gardner also analyzes the flaws in Urantian science and points out many instances of plagiarism in various sections of the book. In a new postscript to this paperback edition, Gardner details recent developments in the Urantia movement, corrects some errors in the original edition, and responds to critical reactions from Urantia believers to his skeptical perspective on the book and the movement. Although there are other histories of The Urantia Book, this is the only one written by a skeptic. Anyone interested in the New Age, cults, or the development of new religions will find much fascinating material in Gardner's thorough overview. Martin Gardner, the creator of Scientific American's Mathematical Games column, which he wrote for more than twenty-five years, is the author of almost one hundred books, including The Annotated Ancient Mariner, Martin Gardner's Favorite Poetic Parodies, From the Wandering Jew to William F. Buckley Jr., and Science: Good, Bad and Bogus. For many years he was also a contributing editor to the Skeptical Inquirer.

What Comes After Farce Hal Foster, 2020-05-19 If farce follows tragedy, what follows farce? Where does the double predicament of a post-truth and post-shame politics leave artists and critics on the left? How to demystify a hegemonic order that dismisses its own contradictions? How to belittle a political elite that cannot be embarrassed, or to mock party leaders who thrive on the absurd? How to out-dada President Ubu? And, in any event, why add outrage to a media economy that

thrives on the same? What Comes After Farce? comments on shifts in art, criticism, and fiction in the face of the current regime of war, surveillance, extreme inequality, and media disruption. A first section focuses on the cultural politics of emergency since 9/11, including the use and abuse of trauma, paranoia, and kitsch. A second reviews the neoliberal makeover of art institutions during the same period. Finally, a third section surveys transformations in media as reflected in recent art, film, and fiction. Among the phenomena explored here are machine vision (images produced by machines for other machines without a human interface), operational images (images that do not represent the world so much as intervene in it), and the algorithmic scripting of information so pervasive in our everyday lives.

The Peyote Cult Weston La Barre, 2020-09-21 The Peyote Cult by Weston La Barre (1915-1996) is the classic work on peyotism, originating in Weston La Barre's studies of the use of peyote in the rituals of fifteen Native American tribes in the 1930s. It has been revised many times. This is the latest edition (the fifth, enlarged edition), now back in print.

Ukraine and Russia Agnieszka Pikulicka-Wilczewska, Richard Sakwa, 2016-05-19 The dangerous turmoil provoked by the breakdown in Russo-Ukrainian relations in recent years has escalated into a crisis that now afflicts both European and global affairs. Few so far have looked at the crisis from the point of view of Russo-Ukrainian relations, a gap this edited collections seeks to address.

Tribal Custom in Anglo-Saxon Law Frederic Seebohm, 1902

Bramante's Tempietto, the Roman Renaissance, and the Spanish Crown Jack Freiberg, 2014-11-10 The Tempietto, the embodiment of the Renaissance mastery of classical architecture and its Christian reinvention, was also the pre-eminent commission of the Catholic kings, Ferdinand of Aragon and Isabel of Castile, in papal Rome. This groundbreaking book situates Bramante's time-honored memorial dedicated to Saint Peter and the origins of the Roman Catholic Church at the center of a coordinated program of the arts exalting Spain's leadership in the quest for Christian hegemony. The innovations in form and iconography that made the Tempietto an authoritative model for Western architecture were fortified in legacy monuments created by the popes in Rome and the kings in Spain from the later Renaissance to the present day. New photographs expressly taken for this study capture comprehensive views and focused details of this exemplar of Renaissance art and statecraft.

Dante's Ballad Eduardo Gonzalez Viana, 2007-09-30 ñRemember that we're in the U.S.,î Dante Celestino is told when his daughter Emmita runs away. Friends and neighbors warn him that in the United States it's not considered so unusual for a fifteen-year-old girl to run away. But Dante had counseled Emmita to date only Spanish-speaking Hispanic boys, and never anyone who joins gangs or deals drugs. Yet she ignores her father's advice and ñright in the middle of her quinceaÑerañ runs away with a tattooed Latino who doesn't speak Spanish and rides a lowrider motorcycle. And to complicate matters, Dante is in the U.S. illegally, making it difficult to report the girl's disappearance to the police. So begins Dante's odyssey.

Accompanied by a lame donkey named Virgilio and the voice of his dead wife, he sets out for Las Vegas, where Emmita's boyfriend—or abductor, as Dante considers him—supposedly lives. On a journey filled with the joy of music and the pain of flashbacks from his small-town life and marital bliss in Mexico, Dante encounters a series of eccentric characters: Josefino and Mariana, known to radio listeners as the Noble Couple, who change their listeners' luck in an instant; Juan Pablo, a young man who uses his computer genius to rob a Las Vegas casino so he can pay for his college education; and the Pilgrim, a famous balladeer who has crossed the border via underground tunnels so many times that even years later he smells faintly of dirt and death. In this bittersweet tour de force originally published in Spanish as *El Corrido de Dante*, the First and Third Worlds join hands, and Mexican pueblo life and Internet post-modernity dance together in one of the most memorable fables to shed light on issues such as immigration, cultural assimilation, and the future of the United States with its ever-increasing Latino population.

Ascent to Glory Álvaro Santana-Acuña, 2020-08-11 Gabriel García Márquez's novel *One Hundred Years of Solitude* seemed destined for obscurity upon its publication in 1967. The little-known author, small publisher, magical style, and setting in a remote Caribbean village were hardly the usual ingredients for success in the literary marketplace. Yet today it ranks among the best-selling books of all time. Translated into dozens of languages, it continues to enter the lives of new readers around the world. How did *One Hundred Years of Solitude* achieve this unlikely success? And what does its trajectory tell us about how a work of art becomes a classic? *Ascent to Glory* is a groundbreaking study of *One Hundred Years of Solitude*, from the moment García Márquez first had the idea for the novel to its global consecration. Using new documents from the author's archives, Álvaro Santana-Acuña shows how García Márquez wrote the novel, going beyond the many legends that surround it. He unveils the literary ideas and networks that made possible the book's creation and initial success. Santana-Acuña then follows this novel's path in more than seventy countries on five continents and explains how thousands of people and organizations have helped it to become a global classic. Shedding new light on the novel's imagination, production, and reception, *Ascent to Glory* is an eye-opening book for cultural sociologists and literary historians as well as for fans of García Márquez and *One Hundred Years of Solitude*.

Mothers Don't Katixa Agirre, 2022-07-12 A writer about to give birth investigates the story behind a mother she knows who has just killed her own twins.

Among the Lost Emiliano Monge, 2019-06-04 A devastating and surreal novel about the defining issue of the 21st century: illegal immigration.

A Dictionary of Idioms William A Bellenger, 2023-07-18 This reference work is a comprehensive guide to idiomatic expressions in both French and English. The book is organized alphabetically and includes definitions, examples, and cross-

references for each idiom. This text is an indispensable tool for anyone learning or translating either language. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Palace of Charles V in Granada Earl E. Rosenthal, 1985 The Description for this book, The Palace of Charles V in Granada, will be forthcoming.

Buzzing Hemisphere / Rumor Hemisférico Urayoán Noel, 2015-09-24 Is poetry an alternative to or an extension of a globalized language? In *Buzzing Hemisphere / Rumor Hemisférico*, poet Urayoán Noel maps the spaces between and across languages, cities, and bodies, creating a hemispheric poetics that is both broadly geopolitical and intimately neurological. In this expansive collection, we hear the noise of cities such as New York, San Juan, and São Paulo abuzz with flickering bodies and the rush of vernaculars as untranslatable as the murmur in the Spanish rumor. Oscillating between baroque textuality and vernacular performance, Noel's bilingual poems experiment with eccentric self-translation, often blurring the line between original and translation as a way to question language hierarchies and allow for translingual experiences. A number of the poems and self-translations here were composed on a smartphone, or else de- and re-composed with a variety of smartphone apps and tools, in an effort to investigate the promise and pitfalls of digital vernaculars. Noel's poetics of performative self-translation operates not only across languages and cultures but also across forms: from the *décima* and the "staircase sonnet" to the collage, the abecedarian poem, and the performance poem. In its playful and irreverent mash-up of voices and poetic traditions from across the Americas, *Buzzing Hemisphere / Rumor Hemisférico* imagines an alternative to the monolingualism of the U.S. literary and political landscape, and proposes a geo-neuro-political performance attuned to damaged or marginalized forms of knowledge, perception, and identity.

Last Night I Dreamt I Was a DJ Frank Baez, P. Scott Cunningham, Hoyt Rogers, 2014-11-20 Miami, FL's Jai-Alai Books proudly presents, *Last Night I Dreamt I Was a DJ* (2014), Frank Bez's debut volume of poetry in English, translated by P. Scott Cunningham and Hoyt Rogers. A former resident of Chicago, Bez's poetry highlights the deep connections between the United States and the Dominican Republic. He celebrates the lyrical possibilities of Santo Domingo, while also lamenting its systemic failures. He delights in the cultural influence of the United States, while also recognizing the failed exportation of the American dream. Most of all, though, Bez's poems are funny. They laugh at the spectacle of their creator and his struggle to exist as a poet in world hostile to poetry, and they dare to talk back to capitalism with the voices of the voiceless: the poor,

working class people haunting the streets of Santo Domingo like a new Night of the Living Dead sequel.

Landsmoder Elena Salamanca,2022-11-05 Landsmoder, by the Salvadoran poet, historian, and performance artist Elena Salamanca, is a searing, and sometimes grotesque, exploration of the intersections between nationalism, dogma, patriarchy, and violence. Originally read aloud from the oldest standing monument in San Salvador's centro histórico, the performance poems in Landsmoder retool the laudatory pomp of patriotic ceremony to protest the weaponization of national myth as a mask for erasure, cruelty, and neglect at the hands of the state. This unflinching collection, whose title comes from a Norwegian word that Salamanca translates as madre de la patria -- or mother of the nation/homeland/fatherland-- is a work of feminist grief, rage, and irony populated with churning wombs, bloodied flags, and ratteboned she-wolves. Appearing now in a bilingual edition nearly a decade after it was first performed, Landsmoder remains an urgent subversion, loud as ever, both on and off the page.

Mad Toy Roberto Arlt,2002-07-18 Silvio Astier falls into a life of petty crime as he grows up in 1920s Buenos Aires.

Colonel Lágrimas Carlos Fonseca,2016-10-04
